Institute Of Esports Training & Academics

ABOUT desportz

desportz Institute of Esports Training and Academics believes that the potential of esports extends far beyond competitive gaming. We aim to leverage the power of esports as a platform to promote health, wellness, education, employability, and many other valuable outcomes. desportz is formed with the belief that video games can positively impact lives and build a sense of community among young people. We offer industry-leading esports training programs while fostering essential life skills within a fun, safe, and inclusive environment.

ABOUT

Esports Athlete Program - BGMI

The Esports Athlete Program - BGMI, offered by desportz is designed to equip players with the necessary skills, strategies, and mind-set to excel in competitive BGMI (Battlegrounds Mobile India).
